

JASPER COUNTY BOARD OF ELECTIONS AND REGISTRATION

126 West Greene Street Suite 3, Monticello, GA 31064

Phone: (706) 468-4908 Fax: (706) 468-1485

Public Notice

Jasper County successfully completed the state-mandated Risk Limiting Audit (RLA) for the May 19, 2026 General Primary and Nonpartisan General Election.

On May 28, 2026, the Georgia Secretary of State's Office conducted a legally required random dice roll to determine which contest from the May General Primary and Nonpartisan Election would be audited. The Republican United States Senate and Democratic Governor contests were selected through this transparent, publicly observed process.

On Friday, May 29, 2026, Jasper County Elections personnel, joined by community volunteers, conducted this audit in the Jasper County Elections Office. The two batches of ballots selected for our county totaled 742 votes, all of which were hand-reviewed and verified against the official election night results.

I am pleased to report that Jasper County's audit produced a 100% match, confirming zero discrepancies between the audited ballots and the original machine tallies. This outcome reaffirms the accuracy, security, and reliability of our election processes. I want to extend my sincere appreciation to the team of volunteers whose diligence and professionalism ensured a smooth and transparent audit.

Amanda Hudgins
